AGENDA

- I. Transportation
- II. Capital Facilities

MEETING SUMMARY

TRANSPORTATION

The draft transportation element was passed out to the group for review. Everyone read through it, and some minor changes were made. It was discussed that we would conduct a sidewalk inventory for the City.

CAPITAL FACILITIES

The draft of the Capital Facilities element was passed out to the group. The group read through it, they found the water and sewer facilities plans very interesting.

NEXT MEETING

It was discussed that we would start the Economic Development element at next months meeting.
