3. Councilmembers discussed the August 16, 2013 letter from Heritage Bank advising closure of the Castle Rock and Kalama branch offices, effective November 15th. Mayor Helenberg stated he is supporting Kalama Mayor Pete Poulsen in his efforts to encourage Heritage Bank to retain these branches. Mayor Helenberg stated this closure will have a great impact on the city. In answer to Councilmember Queen’s question Clerk-Treasurer Ryana Covington stated the decision to remain with Heritage Bank will need to be a council decision. The city is mandated to bank revenues within a 24 hour period and this requirement will need to be resolved. If council decides to change banking institutions, Covington noted there will be an expense for ordering new checks, receipts and deposit books. Heritage Bank has offered an option for a courier service, but she has not received any definitive plan from the bank. Councilmember questioned what the bank will charge for provision of a courier service. Councilmembers noted that the city still has two credit unions in town; however the city has restrictions on what is an allowable banking institution for municipalities. Mayor Helenberg recommended waiting for further information from Heritage Bank before making any decision.

4. Nathan Hyde, representing Castle Rock Seventh Day Adventist Church, requested permission to use city right-of-way to display a banner to inform residents of their upcoming Depression Recovery introductory program being offered free to the public. The banner would be displayed beginning September 11th and removed September 20th. Councilmember Teter made a motion, seconded by Queen to approve the request submitted by Mr. Hyde on behalf of Castle Rock Seventh Day Adventist Church to use city right of way to display the banner for the Depression Recovery event. By roll call vote, unanimous Aye.

5. Councilmembers reviewed the contract renewal request received from Humane Society of Cowlitz County for fiscal year 2014 in the amount of $7,000. Councilmembers tabled further discussion on the contract renewal and requested the mayor invite their director to an upcoming meeting to discuss the proposal.
6. Covington stated the annual invoice for FEMA Flood Insurance coverage has been received. She requested council direction on the level of coverage to be included for payment at the next upcoming council meeting. The renewal cost will be $176 more than 2012, for the same coverage level.

Councilmember Teter made a motion, seconded by Queen to prepare payment at the current coverage limits; premium amount of $2255. By roll call vote, unanimous ‘Aye’.

7. Councilmember Teter stated residents are soliciting donations for installation of two basketball hoops to be located at the Skate Park. The total cost for the hoops and installation is estimated to be $1,000. He asked councilmembers to let other know of this request. Councilmember Queen suggested contacting the newspaper to see if they would write an article.
