

CITY OF CASTLE ROCK
NOTICE OF MITIGATED DETERMINATION OF NONSIGNIFICANCE
Helenberg Memorial Boat Launch Transient Float Dredging

Notice is hereby provided in accordance with WAC 197-11-510 that the City of Castle Rock has issued a Mitigated Determination of Nonsignificance (MDNS) on the following proposal: Using both machinery and hand-held equipment, remove approximately 2,000 cubic yards of sedimentation surrounding the transient float at the boat launch that impedes its use. Dredged material will then be used in the community garden space located upland at the park site. Location: Al Helenberg Memorial Boat Launch Park north of the intersection of WA-411 and Westside Highway, and in the Cowlitz River adjacent to the park. Applicant: City of Castle Rock. The Responsible Official has determined that the proposal will not have significant impacts on the environment if the conditions in the MDNS are met. Pursuant to RCW 43.21C.030(2)(C), an environmental impact statement will not be required. This decision was made after the review of a completed environmental checklist and other information on file with the City, which is available to the public on request. This MDNS is issued under WAC 197-11-350. The public can comment on this MDNS within 15 days by writing to: Deborah Johnson, SEPA Responsible Official, c/o Cowlitz-Wahkiakum Council of Governments, 207 Fourth Ave. N, Kelso, WA 98616-4195 or djohnson@cwkog.org. Comments must be received by 5pm on October 16, 2015. Work will not begin until the comment deadline has expired and any other necessary permits are issued. Appeals of this MDNS must be filed in accordance with WAC 197-11-680.
