PUBLIC NOTICE

April 8, 2019

PROJECT: DOUGHERTY DR. NE WATER MAIN REPLACEMENT

Dear Business Owner/Operator, Property Owner and/or Resident:

START DATE: Monday, April 15th at 7:00 a.m.

ESTIMATED COMPLETION DATE: Friday, May 3rd.

HOURS OF WORK: 7:00 a.m. – 7:00 p.m., Monday – Friday

STREET CLOSURES: While there will be some street closures between Ramsey Street NE and Walsh Ave. NE, at no time will residents, or customers not be able to access the home or businesses except for the actual driveway crossing, which will be kept to a minimum.

CONSTRUCTION STARTING POINT: The project will start on the north side of the intersection of Dougherty Drive NE and Ramsey Street NE along the west shoulder of Dougherty Drive.

WHO WILL BE DOING THE WORK: The City of Castle Rock in partnership with local contractors will be performing the work.

NATURE OF THE WORK: Installation of a water main along the west shoulder of Dougherty Drive NE. While we do not anticipate any disruption in water service, due to this kind of underground work, sometimes services do accidentally get altered which can cause water disruption including outages. It is our goal to minimize these incidents as much as possible.

CONTACT INFORMATION: You may contact the Castle Rock Public Works Department the following ways:
